

# Match your insurance to your business needs.

## Take a fresh look at your coverage.

Attention to detail matters. Busy customers expect to pick up their fresh-pressed clothes on time. Behind the scenes, though, there are days when you may deal with equipment breakdowns, a customer's lost order or even theft. Let Allied help you smooth out those challenges with our dry cleaners insurance.

## Covering the unexpected.

No matter how hard you work, life doesn't always go according to plan. For example, your dry cleaning chemicals may prompt a customer's allergic reaction. To protect you at times such as this, plan ahead with Allied dry cleaners insurance.
